## ENJOY ENGLISH STORY OF THE WEEK— THE ADOPTION

Tiffany had a **dilemma** to consider. One week ago, she discovered that her mom and dad were not her birth parents. Due to reasons that she did not know, her birth parents had not been able to take care of her and when she was 2 years old, a couple had **adopted** her and raised her. Now, at 16 years of age, her **biological** parents wanted to make contact with her and **establish** a relationship. Tiffany did not know what to do. She loved her parents so much and appreciated what they had done for her. **On the other hand**, she was **curious** about her birth parents, felt **abandoned**, and wanted to meet them. She was afraid, however, of being hurt or of hurting her parents somehow..

### What do you think?

1. Should Tiffany meet her birth parents?
2. Do Tiffany's birth parents have a right to meet their daughter?
3. How do you think Tiffany's adoptive parents feel about this?
4. What do you think is the first question that Tiffany would ask her birth parents?
5. Would you ever consider adopting a child?

### Somebody once said:

*"Adoption is when a child grew in its mommy's heart instead of her tummy."*
